Royal Observatory, Greenwich,
London, S.E.

1860 November 28

My dear Sir

Will you permit me
to introduce to you my friend
Professor Selwyn, the bearer
of this letter, who is Professor
of Theology in the University
of Cambridge, but who takes
sufficient interest in Astronomy
to make journeys for the purpose
of observing eclipses, and who
also makes photographs of the Sun.

M. Rev^o.

Padre Secchi

96

He is very anxious to be
permitted to pay his respects
to you personally, and also
to see your Observatory.

I am, my dear Sir,

Yours very truly

G. Peirce
